IN RE: SC Pipeline Corporation -) ORDER SETTING ORAL
Maximum Rates for Industrial) ARGUMENTS ON PETITION
Customers.) AND MOTION

This matter is before the Public Service Commission of South Carolina (the Commission) on the South Carolina Energy Users Committee's (SCEUC's) Petition and Motion. In its Petition and Motion, the SCEUC seeks, among other things, a ruling on the issues which may be considered in this proceeding. South Carolina Pipeline Corporation (Pipeline) has filed a Response to the Petition and Motion. In reply to Pipeline's response, the SCEUC requests the opportunity to make oral presentations to the Commission on its Petition and Motion.

After its review of the matters before it, the Commission finds and concludes that oral argument would assist the Commission in ruling on the Petition and Motion. Therefore, the Commission

hereby approves SCEUC's request for oral argument on its
Petition and Motion. The Commission Staff is directed to notify
the parties of the date and time for the oral arguments.

IT IS SO ORDERED.
